

Security Orchestration, Automation & Response SOAR.....The future of IT Security

CYBER SECURITY STATISTICS...

- Before getting to know about SOAR, let's have a look at statistics of malware infection growth rate from 2009 to 2018.

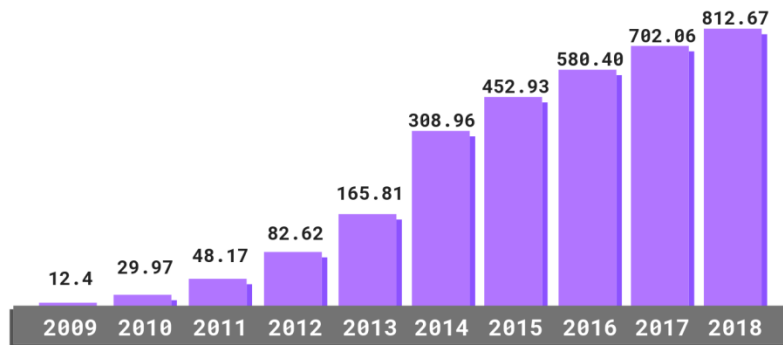

Fig 1. Total Malware Infection Growth Rate (In Millions)

- Now let's have a look at the ratio of cyber security threats to cyber security professionals.

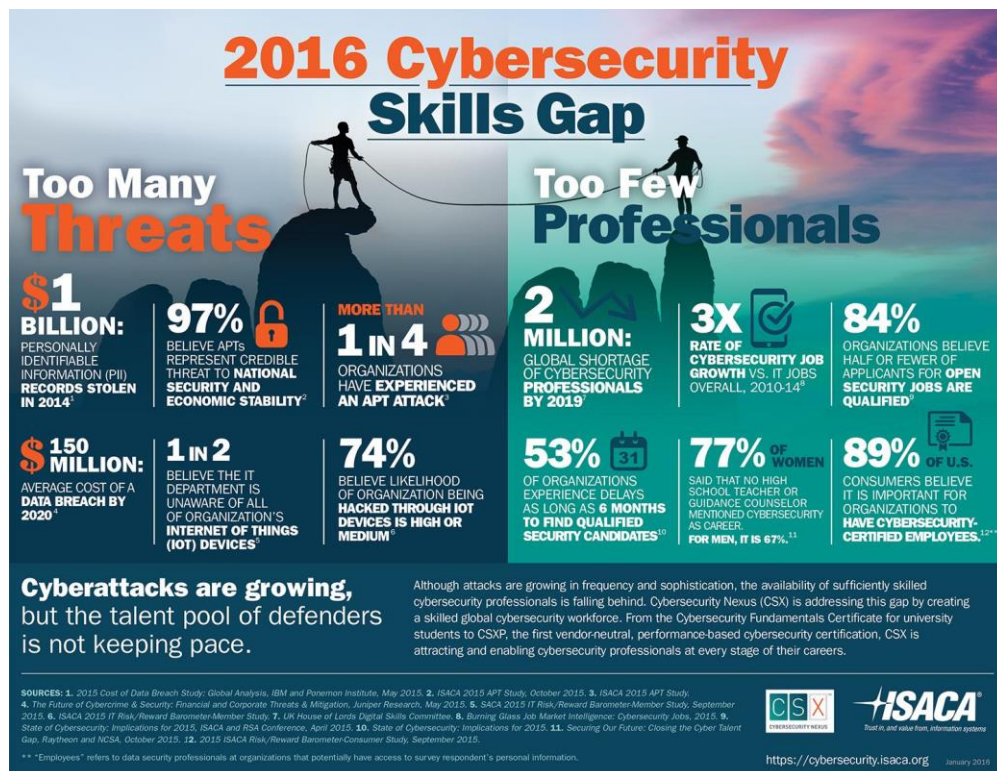

Fig 2. 2016 Cyber security skills gap
